

Curriculum Vitæ

Marc BUI

Marc.Bui@univ-paris8.fr — Marc.Bui@ephe.psl.eu

Short Bio. Marc Bui received his PhD in Computer Science in 1989 from University Paris 11. He is full professor of Computer Science at the University of Paris 8 (since 1999) and at the Ecole Pratique des Hautes Etudes (since 2005). Prior to this, he was professor at the University of Technology of Compiègne from 1995-1999. His research interests include distributed algorithms, complex sociotechnical systems modelling and simulation, digital humanities.

Current Affiliation

FULL PROFESSOR of Informatics at the University Paris 8 (since 1999) and DIRECTEUR D'ÉTUDES CUMULANT at École Pratique des Hautes Études (EPHE) (*Directeur d'Etudes Cumulant* since 2005).

Laboratoire **AOrOc** (UMR 8546 -CNRS-ENS-EPHE)

École normale supérieure, 45 rue d'Ulm, F-75230 Paris cedex 05, 3e étage, escalier A.

Campus Condorcet, 14 Cours des Humanités, 93322 Aubervilliers, Bâtiment Recherche Nord, 5ème étage.

Degrees

- LICENCE in Mathematics (June 1984), MAÎTRISE in Mathematics (June 1985) : Université Paris 7.
- DEA in Computer Science : Université Paris 6, June 1986.
- PHD in Computer Science : Université Paris 11 , July 1989.
- *Habilitation à diriger des recherches*, Université Paris 8, 1994.

Affiliations

2005-now FULL PROFESSOR (classe exceptionnelle), Université Paris 8 and DEcu at EPHE

1999-2005 PROFESSOR, Université Paris 8.

1995-1999 PROFESSOR, Université de Technologie de Compiègne.

1991-1995 ASSOCIATE PROFESSOR : Université Paris 10 – Nanterre.

Research Interests

- Computer science : distributed algorithms ; complex sociotechnical systems modelling and simulation.
- Digital and computational humanities : artificial intelligence for historical document analysis : ancient steles layout analysis, data augmentation and automatic transcription, information technology and historical documents management.
