Curriculum vitae

Dr. Christopher Carcaillet

Univ. of Rennes-1 (France)

——— Positions

Since 201	.4 Professor, PSL University (Paris, France)			
Since 200	01 Professor, Ecole Pratique des Hautes Etudes, Dept of Life and Earth Sciences (Paris, France)			
2016-202	016-2022 Scientific Advisor, High Council for the Evaluation of Research and Higher Education (Hcéres, I and environmental sciences), France (20 to 40% of part-time)			
2011-2014 Adjunct Professor, University of Québec at Montréal, Department of Biology (Canada)				
2011-2012 Adjunct scientist (one-year position), CNRS				
1999-200	Research fellow, Swedish University of Agricultural Sciences (Umeå, Sweden)			
1997-199	Post-doctoral fellow, University of Montreal (Montréal, Canada)			
1993-199	PhD fellow, Aix-Marseille University (Marseille, France)			
1992	Research assistant (2 months), University of Western Britta	h assistant (2 months), University of Western Brittany (Brest, France)		
1988-199	Research assistant (21 months), University of Rennes-1 (Rennes, France)			
	Diploma			
2001	Habilitation (French upper degree) "Ecology"	U. Paul Sabatier (Toulouse, France)		
1996	PhD "Population Biology and ecology"	Aix-Marseille Univ. (France)		
1993	Master in Science "Arid, Mediterranean & mountain ecosystems"	' Aix-Marseille Univ. (France)		
1992	Master of Technology "Land management "	Univ. of Rennes-1 (France)		

- 1988 Bachelor in Science "Biology and chemistry"
- 1985 Technical degree "Agronomic sciences & agricultural techniques" Agricultural school (France)

– Leaves

National service | 01/12/1988 to 31/03/1990 (16 months) – Research assistant, for the French Austral and Antarctic Survey (TAAF) – 15 months of remoteness on Crozet Archipelago (Subantarctic island)

Paternal leave | 01/07/2001 to 31/10/2001

- Laboratories and research centres assignment

- since 2015 | Lab for ecology of natural and socio-hydrosystems (U Claude Bernard Lyon/CNRS), France
- 2011-2014 | Joint French-Canadian laboratory MONTABOR, Montpellier (France) Montreal, Canada
- 2001-2010 | Centre for Bio-Archeology and Ecology (U of Montpellier/CNRS/EPHE), Montpellier, France
- 1999-2001 | Dept of Forest Vegetation Ecology, Swedish University of Agricultural Sciences, Umeå, Sweden
- 1997-1999 | Dept of Geography, University of Montreal, Montreal, Canada
- 1993-1996 | Mediterranean Institute for Ecology and Paleoecology, (Aix-Marseille U/CNRS), Marseille, France
- 1992-1992 | Lab of sea mammals, Océanopolis aquarium, Brest, France
- 1988-1990 | Botany laboratory, University of Rennes 1, Rennes, France

-Team responsibilities (selection)

• 2011-2014 | co-head | Joint French-Canadian laboratory MONTABOR (international research unit)

• 2003-2010 | Director | Centre for Bio-Archaeology and Ecology (CNRS research unit), Montpellier, France and, group leader <paleoecology, global changes and disturbances> (2007-2010).

• 2002 | Adjunct-Director | Centre for Bio-Archaeology and Ecology (CNRS research unit), Montpellier, France

-Invitation grants

- 2019 | University of British Columbia, Vancouver & Kelowna, Canada
- 2018 | Arctic University of Norway (UiT), Tromsø, Norway
- 2016 | University of Bergen (UiB), Norway

• 2011-2012 | University of Québec at Montréal, Montreal, Canada

-Academic duties (selection)

- PSL University (France), Academic Senate, elected member [2020-present
- National Council of Universities (France): elected, "organisms' biology and ecology" committee [2019-present
- EPHE: several councils and committees [2003-2018], including the Board of Directors [2010-2018]
- EPHE: adjunct head of the Doctoral School [2010-2014]
- University of Montpellier: several internal scientific committees [2003-2014]
- National Committee for scientific research (CoNRS, France): "ecology-geosciences" committee [2008-2016]

-Project (leader or investigator)

• since 2001 | 9 research projects (including 1 European), 2 international networks

-Scientific commission/expertise (selection)

• Park | member scientific council, Regional Natural Park of Corsica, France [2015-present

- UNESCO | member scientific council, Man and Biosphere Fango reserve, Corsica, France [2004-2014]
- Research Council of Norway. Panel member in Biology (2015, 2016, 2017)

• Research program for research agencies (selection). Europe (Belmont Forum), Canada (Natural Sciences and Engineering Research Council), Estonia (ETAG, Estonia Research Council), France (Agence national de la recherche), Israel (Israel Science Foundation), The Netherland (Netherland Organisation for Scientific Research)

• Boards of recruitment (France): Professor, research fellow, research assistant and technician for CNRS, Ecole Pratique des Hautes Etudes, Aix-Marseille University and University of Montpellier.

•Career referee of professors from foreign universities: New South Wales Univ. (Australia), Bar Ilan Univ.

(Israel), Univ. of Bergen (Norway), Univ. of Montréal, Univ. of Québec at Montreal (Canada).

• Ministry for higher education and research (France). expertise of French research units

Editorial responsibilities

Associated Editor for the following peer reviewed journals:

# Canadian Journal of Forest Research	since 2002
# Ecoscience	since 2010
# Frontiers in Ecology and Evolution	since 2013
# PLoS ONE	[2014-2019]
# Plant Ecology	
# Forest Ecology and Management (Advisory Editor)	since 2020

Language

French (native language), English (user), German (scholar), Swedish and Bretton (basic).
